ARMY ROTC AT PSU

Army ROTC at PSU adds leadership training and management experience to your chosen academic pursuits while preparing you to become an Army officer.

CURRICULUM:

Basic courses in map reading, history, management and leadership count for academic credit and are offered with no obligation on your part. Advanced courses refine skills and abilities and include a paid six-week summer camp between your junior and senior years. The curriculum is designed to be exciting, educational and flexible enough to meet scholastic requirements while helping to accomplish your academic and personal goals.

EXTRACURRICULAR ACTIVITIES:

Military Science students at PSU participate in a wide variety of activies including rappelling, marksmanship training, white water rafting and cross-country skiing.

FINANCIAL AID:

Students have an opportunity each year to compete for scholarships that pay tuition, a flat rate for books and fees and $100 each academic month for two or three years. All students enrolled in the Advanced Course receive $100 per academic month during the last two years of the program. You may even qualify to join the Army Reserve or National Guard while enrolled in Army ROTC and receive additional pay as an E-5 officer trainee.

VETERANS:

If your're a veteran, you may use your military experience for advanced placement credit and take full advantage of your veteran's benefits in addition to Army ROTC's financial aid.
